

# Greenway Serves as Strategic Advisor in Ratio Architects' Merger with Humphries Poli Architects

**RATIO Architects, Inc.**, a top 50 multi-national design firm with existing studio locations in four cities across the U.S., announced that Denver-based and Western Mountain Region 'Firm of the Year', Humphries Poli Architects P.C. (HPA) has joined the practice. The combined firm will operate as RATIO nationwide.

The addition of a Denver location to RATIO's studios in Chicago and Champaign, Ill., Indianapolis, Ind., and Raleigh, N.C. provides our clients with enhanced experiences through integrated design services while seamlessly supporting HPA's 25 year award-winning history of creating impactful design in Denver.

The combined firm will create a unified and innovative design force on the national design landscape.
