

James Barker, Clemson U's President Emeritus, delivers the 'Richard Farson Presentation' at La Jolla Summit.

James Barker, FAIA, Clemson University President Emeritus and Professor of Architecture delivered the 'Richard Farson Presentation' to the delegates at the DFC Summit on Innovation and Technology. The theme of his interactive and inspiring presentation was attuned to the work of Dr. Farson and was titled 'The Architecture of Leadership'.

Barker, shown here, is being introduced by Lisa Henry, Greenway Group's CEO.
